FREQUENTLY ASKED DAY CAMP QUESTIONS

What safety procedures are in place during COVID-19?

Campers experiencing symptoms of COVID-19, or living in a household with a suspected or confirmed case of COVID-19, should stay home instead of attending camp. If your child has been exposed to COVID-19, tests positive for COVID-19, or is experiencing symptoms of COVID-19, please notify camp educators at (562)951-1723.

Safety protocols are subject to change. Please check back for the most up-to-date safety protocols

What do I need for the first day of camp? On the first day of camp, meet the Aquarium educators at the Aquarium's rear circle. You must remain inside your vehicle. Please bring the following:

1. *Completed emergency contact card, code of conduct, and signed waiver*
2. *Any necessary medical release forms*
3. *A snack and close-toed shoes for your camper*

What time AND where do I need to drop off and pick up my child? Pick up and drop off is located at the rear circle of the Aquarium. See the map on the last page of this document. You may drop off your child from 7:45-8:00am. Pick up is from 12:00-12:15pm.

Note: If you attended full day summer camp, this is a different location. Please see the attached map.

Do I have to pay for parking? Please drive your car to the pick up and drop off location at the rear circle (see attached map). The Aquarium will not reimburse your parking fee if you choose to park in the structure.

Who may pick-up my child? Only those listed on the emergency contact form will be authorized to sign out your child at the end of the day. Please instruct any person picking up your child to bring either the placard given to you on the first day of camp, or a photo ID. Campers may not sign themselves out and therefore must be picked up by an approved person.

What happens if I pick-up my child late? We acknowledge that sometimes a late pick-up is unavoidable. If you know that you will be late, please call and let us know at (562) 951-1723. For pick-ups later than 15 minutes after camp ends, a late fee of \$15 for every 15 minutes or any portion thereof will be applied.

How do I pick-up my child early? If you know that you will be picking your child up early, please let the camp educator know ahead of time. Call the Education Department at (562) 951-1723 when you arrive at the Front Circle of the Aquarium. An Education staff member will escort your child to the Front Circle to be signed out. Please do not leave your car unattended in the traffic circle or you are subject to receive a ticket from the city. *To allow educators to clean up and get campers out on time, early pick-up is not available after 11:30am*

What if my child misses a day of camp? If you know your child will be missing a day, please let us know at (562)951-1723- we like to know your child is ok! We are unable to refund missed days of camp.

Will my child receive a snack? Due to allergy concerns, we do not provide a snack. Please provide a snack.

Can I reach my child by phone during the day? If for any reason you need to reach your child during the day, you can reach an Education staff member at (562) 951-1723.

Can my child bring electronics? Cameras are encouraged on the last day of camp. This will allow your child to take some pictures of their new friends and favorite exhibits.

What is the discipline protocol? We understand that day camp is a fun and dynamic learning environment, and we will exercise our best judgment when enforcing the camp guidelines. If your child breaks any of the guidelines agreed upon by the Camp Code of Conduct, your child will get a warning. The second occurrence will result in a loss of activity. On the third occurrence, we will contact the parent or guardian to determine future consequences. If your child is not able to correct the behavior after 3 tries, we will contact you to pick up your child from camp.

Can my child's participation in the camp be discontinued? To maintain a safe and fun environment for all participants, we reserve the right to dismiss a child from camp for the following reasons:

- Extreme discipline problems and/or repeated violation of camp rules
- Non-cooperation with staff, policies, or procedures
- Running away from staff or activities

Where is the lost and found? Lost and found is at the Member Services Desk. Our Security Department holds all lost and found items for 30 days and then they are donated.

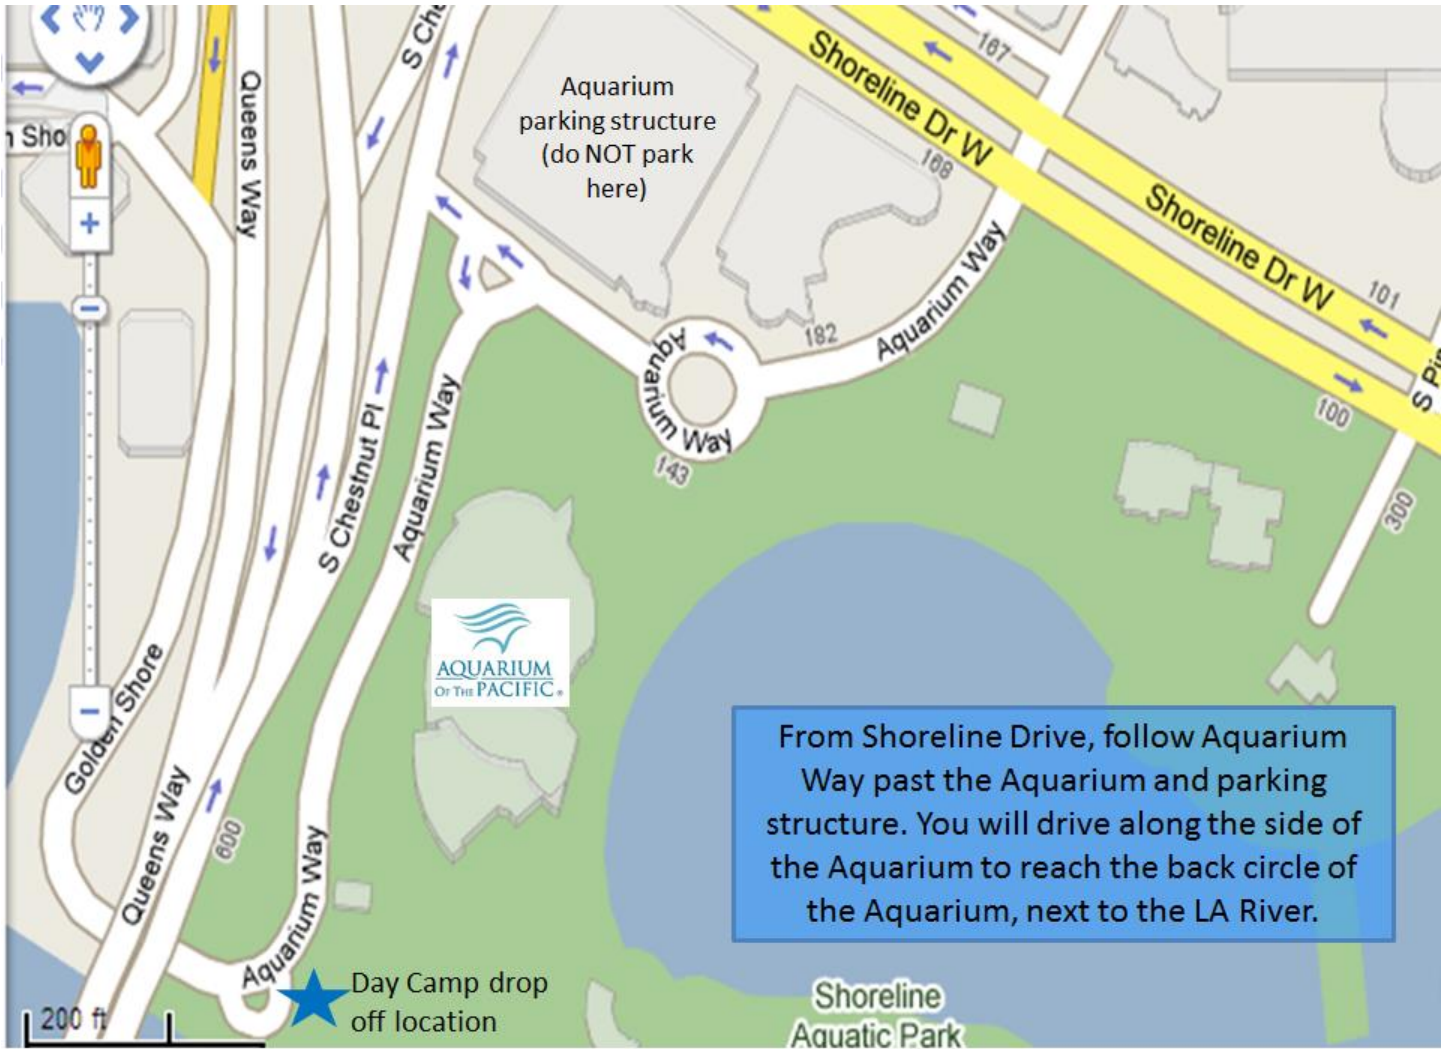

What if my child needs to take medication? Please give the medications to the camp educator with written instructions. You will also need to sign a Medication Release Form that the camp educator will have available when you drop off your child. Please DO NOT send medications with your child.

What if my child is sick? For the health of the other campers, please do not send your child to camp if they are sick. We will call you to pick-up your child if they become ill. If your child, or anyone in your household, is experiencing COVID-19 symptoms such as sore throat, cough, shortness of breath, fever, or recent loss of taste or smell, or has been exposed to COVID-19, they may not attend camp. For contact tracing purposes, please notify the Aquarium at (562)951-1723 if your child is diagnosed with COVID-19 during or after camp.

What if my child is injured? A safe and fun experience is our top concern. However, if your child becomes injured, we will take necessary steps to ensure that your child receives the proper medical attention. In the event of injury, we will attempt to contact you first, then those on the emergency contact list.

My child has special needs or circumstances. Will they still have fun at camp? Yes! The Aquarium wants all children to have a successful and enjoyable experience at camp. While we encourage campers to participate in all activities, our Educators are able to provide modified lessons and some accommodations for campers with special needs. Please contact us at (562)951-1723 so that our staff can be prepared to provide the best possible camp experience for your child.

My child has allergies. Can you accommodate my child? Yes! Children with allergies that require epinephrine or other medications will need a completed Medication Release Form signed by a parent or guardian. Please be sure to bring any necessary medications, such as epinephrine or antihistamines, to the first day of camp.

From Shoreline Drive, follow Aquarium Way past the Aquarium and parking structure. You will drive along the side of the Aquarium to reach the back circle of the Aquarium, next to the LA River.
